

Seawinds Order of Precedence - Award List

January 2011 Update

The order of precedence is maintained by Andrewe Bawldwyn (mka Joe Percer). Any requests for corrections or other changes should be sent to him at Jpercer@gmail.com. The OP will be updated on an as needed basis with an emphasis on updates being published prior to local events. The Award List will show all awards received by Seawinds members active since 2000. The Order of March will only indicate members who are active within the past 6 months. If you feel you are marked inactive as an error please contact the OP Deputy. Precedence numbers are listed in the format (OP,YYYYMMDD) where OP is the precedence designator given by kingdom for a particular award. The member's highest award determines their precedence whether it is the most recent or not. Thus a person holding a Star of Merit given in 1986 does not change precedence when earning a Sable Thistle in 2010.
